## The European alternative to Facebook

---

JustBSocial is a European social network where privacy, transparency and community come first. No algorithms. No data selling. No commercial manipulation.

### What does that mean in practice?

- Posts in chronological order
  - No timeline manipulation
  - Right to be forgotten by default
  - 100% EU-hosted infrastructure
  - Fediverse integration (#hashtags work)
- 

Join a social network that is truly social.
